# Alhambra

En 1965 nace esta empresa con el fin de construir guitarras clásicas, en el transcurso de estos años la hemos dotado de los medios técnicos más avanzados para el tratamiento de la madera, mientras adquiríamos también una gran experiencia en la construcción artesana de instrumentos de cuerda.

En la actualidad hemos creado un equipo con nuestros mejores operarios para construir las guitarras con cuerdas de acero tipo Dreadnought, Jumbo y Auditorium de alta calidad, construidas totalmente a mano y que ahora presentamos en este catálogo.

Since the foundation of this company in 1965 our aim has been to produce good quality classical guitars.

Combining the most advanced techniques for the treatment of wood with the vast experience gained over the years, Alhambra guitars have acquired a world wide reputation for unsurpassed quality. We have chosen from our best craftsmen, a handpicked team to produce high quality steel string Dreadnought, Jumbo and Auditorium guitars.

All the instruments are handcrafted in the best wood and we have pleasure in presenting to you in this catalogue, the final product.
